Re: Filing in a Related Case

Dear Judge Hollander:

I write to inform the Court that today in *Michaels v. Sessions*, No. 18-496, in which I am co-counsel, petitioner filed the attached motion in the United States Supreme Court to substitute Rod Rosenstein as Acting Attorney General with respect to a pending petition for writ of certiorari. That filing does not affect the pending motion for preliminary injunction or substitution in case 1:18-cv-02849-ELH, *State of Maryland v. United States of America et al.*, ECF 6. As soon as there are any developments in the Supreme Court proceedings, my office will inform chambers immediately.

Sincerely,

Thomas C. Goldstein
